- ✓ (49391) The *Status* column now displays the eSign status of documents sent for signature.

Production

Borrower Screen

- ✓ (49163) Added additional options for the *Black or African American* subsection in the *Demographics* section.
- ✓ (48548) Increased the character limit to 50 for the *Return Name* field in the *SSN Verification* lightbox.
- ✓ (49715) Increased the character limit to 100 for the *Address* field in the *SSN Verification* lightbox.
- ✓ (42534) Added more options to the *Type* dropdown in the *Alternate Names* lightbox: **Formerly Known As**, **Now Known As**, and **Other**.
- ✓ (49022) Moved the *Co-Signer* checkbox to the *Borrower Acknowledgements* subsection, from the *Non-Borrower Acknowledgements* subsection.
- ✓ (49921) Relabeled *Other Sources Income* to **Other Income** in the *Income* section.
- ✓ (49233) Added the information icon to the *Non-Borrower Acknowledgements* subsection, explaining what each checkbox indicates.
- ✓ (50047) Improved user experience with lightbox buttons by making them uniform and consistent, with the **Previous**, **Next**, **Save**, **New**, and **Delete** buttons.
 - The **Delete** button only appears for items already added to the table.
 - Removed the **Save & New** and **Save & Close** buttons.

Closing Costs Screen

Fees Tab

- ✓ (48154) Added **Sales Price**, **Total Loan Amount**, **Note Rate**, and **Loan Term/Due In (months)** near the top of the page, as read-only fields.

Property Screen

- ✓ (42789) Added **In a Park** as an option for the *Manufactured Attachment Type* dropdown.
- ✓ (49116) Relabeled the *APN* field to **Assessor's Parcel Number**. Additionally, you can add up to 5 **Assessor's Parcel Number** fields.
- ✓ (50083) Relabeled *Manner Held* dropdown to **Vesting Manner Held** and added the **URLA Manner Held** dropdown.

Quote Screen

General Tab

- ✓ (49232) Added the **eConsent** and **Credit Consent** checkboxes.

Closing Information Screen

Wire Tab

- ✓ (49929) Updated the *Amount Requested* and *Amount Approved* to be auto-populated with the *Net Wire Amount*. *Amount Requested* and *Amount Approved* can still be edited with the unlock icon (🔓).
- ✓ (49119) Enhanced fee deductions, by syncing the *Withhold from Wire* checkbox between *Closing Costs > Fees* tab and *Closing Information > Wire* tab.
 - Additionally, as the data is automatically synced now, you no longer need to manually check the *Deductions from Wire* box, so it has been removed.
- ✓ (49889) Added the **Paid To** column to the *Fees Deduction* lightbox.

General Tab

- ✓ (47057) Added **Document Preparation Date**, to record the date the closing documents are prepared.

Transactions Screen

- ✓ (42499) Updated *Homeowner's Insurance* lightbox, where it can now be calculated based on percentage.

 - Reformatting the address fields for the *Settlement Agent* and *Warehouse Bank* sections
 - Adding the select icon (⌵) to the *Warehouse Bank* section

HMDA/NMLS/Adverse Action Screen

- ✓ (49368) Added the **HMDA Loan Purpose** dropdown, to distinguish from the *Loan Purpose* dropdown.
- ✓ (43327) The *Qualifying Income* is now auto-populated.
- ✓ (49382, 49384) Enhanced the *Small Business Lending* section by adding additional fields.
- ✓ (49328) Added **Unit Type** and **Unit Number** to the *Subject Property* section.
- ✓ (49158) Enhanced the *Action Date* field, which now allows for backdates to be entered.

Interim Servicing Screen

- ✓ (49719) Added the **Payment Schedule** button. System admins need to enable this button in *Configuration > Roles > Screens > Loan > Production > Interim Servicing*.

Final Commitment and USDA Screens

- ✓ (48259) Decoupled the *Commitment Date/Time* field (*Final Commitment* screen) from the *Obligation Date/Time* field (*USDA > General* tab).

Conditions

- ✓ (43663) Added the **Submit** button within a condition's lightbox.
- ✓ (48907) Added the **Un-Submit** button. System admins need to enable this button in *Configuration > Roles > Screens > Loan > Conditions > My Conditions* and *All Conditions*.

Lock

- ✓ (49749) Until a lock is confirmed, the options to relock, update, extend, or cancel are now unavailable, to prevent mistakes.

Lock Screens and Production

- ✓ (49802) The *Investor* fields from *Production > Underwriting > Review & Decision* have been decoupled from those from the *Lock* screens. This allows underwriters and lock desk users to independently select investors.

Compliance

Summary Screen

- ✓ (49482, 49531) Added the **High-Cost Mortgage** and **High-Priced Mortgage** sections, to indicate whether the loan is high-cost and/or high-priced.

Pricing

- ✓ (48807) Updated the *Save* button for the *Pricing Search Parameters* lightbox. Now clicking the *Save* button will save the data without closing the lightbox. To close the lightbox, click *Close*.

Pipeline

- ✓ (49155) **Application Date** and **Closing Date** can be added as column headers, which also function as sorting options.
- ✓ (45407, 46156, 48647, 48879) Added **Project Name**, **Product Code**, **City**, **Unit Type**, **Unit ID/Number**, and **Interview Date** as column headers that can be added to the *Pipeline*.
- ✓ (47849) Updated the *Copy to Sandbox* button, to only copy over the URLA/1003 data.

Dashboard

- ✓ (49429) Enhanced the dashboard by:
 - Increasing the number of displayable fields to 50
